Dharma Vazquez Torres, PhD, MHSA
Interim Dean
University of Puerto Rico
Graduate School of Public Health
Medical Sciences Campus
P. O. Box 365067
San Juan, PR 00936

Dear Dr. Torres:

This letter is to confirm that November 17-19, 2021 has been reserved for your site visit by the Council on Education for Public Health. The following sequence of events will lead up to the visit. There is little flexibility in this timeline; therefore, if you encounter any challenges during this process, contact CEPH staff immediately.

June 17, 2021

Submit your preliminary self-study document to CEPH staff and your site visit chair, who will offer constructive suggestions for improving the final version. We will provide the names and mailing addresses of the individuals closer to the mailing date.

August 17, 2021

CEPH will return to you any comments from the preliminary reviewers so that you can make changes in the final version.

October 18, 2021

Mail your final self-study document and other materials outlined in your preliminary review comments letter to members of your site visit team and to the CEPH office. I will be in contact about the individuals who will serve on your site visit team several months in advance of the visit.

November 17-19, 2021

The on-site visit will take place. You will need to develop a detailed agenda for the visit, and you should contact CEPH staff as the visit approaches for consultation on the agenda.

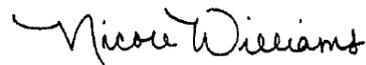

Council Decision

The Board of Directors will make a decision about accreditation at its next meeting that is scheduled at least 18 weeks after the site visit. Meeting dates will be determined approximately one year in advance.

I will provide more details about what should be done as we go along, and you should, as well, consult the CEPH documents that will govern your review process: [Accreditation Criteria for Schools and Programs in Public Health, adopted in October 2016](#) and [Accreditation Procedures](#). These documents, and any subsequent procedural revisions adopted by the Council, will govern your review process.

Let me know if I can be of any assistance.

Sincerely,

A handwritten signature in black ink that reads "Nicole Williams". The signature is written in a cursive, flowing style.

Nicole Williams, MPH, PMP
Director, Special Projects
